Dear Sir / Madam,

This is to express my sincere appreciation and gratitude to the men and women of Universe Transit Ltd., in Israel for their professionalism and dedication in the conduct of their duties and responsibilities to their clients.

I also would like to express my deepest appreciation to Mr. Ilan Rebibo, Chief Executive Officer of Universe Transit Ltd., for personally facilitating and overseeing the shipment of my personal effects from the State of Israel to the Philippines. His untiring assistance and patience to my queries and demands are testaments to his unparalleled professionalism, including that of their company.

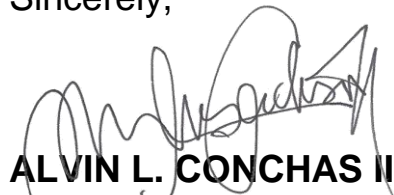

I truly appreciate the unwavering assistance he extended to me from the day we met when I engaged his services until the day that my personal effects have been delivered to me at my residence in the Philippines.

I also would like to take this opportunity to commend his team who have smoothly facilitated the packaging and the transportation of my shipment, and also to their partner company, Santa Fe Moving and Relocation Services Philippines Inc.

Based on this experience, I would personally recommend engaging the services of Universe Transit Ltd., as I know it would do everything in their power to satisfy and meet its clients' needs and demands.

Toda Raba and Mabuhay!

Sincerely,
